Dear participants,

We're officially at the midpoint of the AQUA Hackathon, and the judging panel is eagerly anticipating the innovative solutions you will present!

A quick reminder: the final submission deadline is December 8th at 2:00 PM GMT (4:00 PM in Ukraine, 3:00 PM in Poland, 9:00 AM EST, 8:00 AM in Colombia). Please ensure your final deliverables are submitted by this time. As the final submission, please share by the time the following:

- Code repository with read access
- Screencast or video of your application (no more than 5 minutes in length)
- Presentation of your experience, tips and tricks, pitfalls of using AI tools that you used along the way

Share everything with the following list of people:

- Chris.Walton@teaminternational.com
- Tim.Williams@teaminternational.com
- Dmytro.Herasymenko@teaminternational.com
- Julian.Olarte@teaminternational.com
- Sergii.lakovenko@teaminternational.com
- Sergii.Pogodin@teaminternational.com

Additionally, don't forget to schedule your pitch time to present your submission in person to the judging panel.

You can select your preferred pitch slot using the link below. Please note that slots are allocated on a first-come, first-served basis, so be sure to book yours soon!
