Hello,

Join us for the official AI Hackathon Reloaded: AQUA Edition Kick-off, where we'll walk you through the final materials, expectations, and next steps. This session will provide everything you need to begin building with clarity.

### Agenda

1. **Welcome & Introduction**
2. **Final Resources.** Sharing of all remaining Hackathon materials, including technical documentation, design files, PRD updates, and any last missing assets.
3. **Deliverables Overview.** Quick walkthrough of final deliverables:
  - Code repository
  - Demo video
  - AI Knowledge Presentation
  - Key evaluation criteria
  - Pitch Week format and next steps
4. **Q&A.** Brief session for clarifications
5. **And... We're Off!**
